ASSOCIATION OF REALTORS®, INC.

### SAR IS ON THE AIR!

Tune in May 18th at 10:30 a.m. as President Luke Thompson and President-elect Doug Barrington discuss the difference between a REALTOR® professional and a licensed agent, the benefits of using a REALTOR®, and what the Sunflower Association of REALTORS® is all about.

Segments will increase exposure and awareness of the REALTOR® brand and all it stands for. Upcoming shows are also scheduled for May 21st and June 4th.

### Homeownership Advocates: 'That's Who We R'

The 2019 REALTORS® Legislative Meetings & Trade Expo next week is the perfect opportunity to introduce REALTORS® to the 116th Congress. There are more than 100 new members serving in Congress and thousands of new Hill staffers. It's important that we let them know "Who We R" and remind them of the value we bring to our communities, the impact of real estate on the economy, and the vital role homeownership plays in building generational wealth.

### NAR Engaged in White House Discussions for Association Health Plan Solutions

Representatives from NAR and various local REALTOR® Associations met with White House officials to discuss industry support for the administration's Association Health Plan rule. This meeting comes on the heels of NAR's call for the Justice Department to defend the Department of Labor's regulatory authority to support AHPs. [LEARN MORE](#)

### SAR MEMBERS IN THE COMMUNITY

The SAR Community Relations Committee organized an April 25th work day at the Habitat for Humanity Build 3332 SE Powell. Two shifts of SAR members put on hard hats and tool belts to help a deserving family experience the dream of home ownership. [watch](#)
