

**Infrastructure Maintenance Window**  
**Wednesday, July 24, 2019**  
**12:00AM-6:00AM Central Time**

Paragon will be performing regular monthly "system-wide" infrastructure maintenance during the date/time listed above.

Thanks for updating your members as to the on-going efforts to ensure optimal Paragon and other product performance.

-Black Knight MLS Solutions

---

**This includes Paragon, Mobile, PXL, and BKFS Hosted LAMPS Products.**

**All Data Share, Parallel, and Membership Import tasks/processes will be disabled and re-enabled at the conclusion of the maintenance event, resulting in delayed data import/export availability. *Agent and other websites that directly rely on Paragon Data, such as photos, may be affected.***
