

## Support Discontinued for Internet Explorer 11

Recent analytics indicate less than 5% of Paragon users login via Internet Explorer (IE) 11\*. Consequently, Black Knight will officially discontinue support for IE 11, effective August 1. If users call Customer Care with a browser related issue involving IE, they will be asked to update to a supported browser.

### Current Supported Browsers:

- Firefox: 63.0.3
- Chrome: 70.0.3538.102
- Microsoft\* Edge: 42.17134.1.0
- Safari: 10.1.2

***\*Note, Microsoft recommends MS Edge as their browser and are only planning to support IE 11 for backwards compatibility purposes.***
